

Nupoor Ranade

PH.D. CANDIDATE · COMMUNICATION, RHETORIC AND DIGITAL MEDIA

College of Humanities & Social Sciences, North Carolina State University, Raleigh, NC

☎ (+1) 984-215-8006 | ✉ nupoor.ranade@ncsu.edu | 🏠 www.nupoorranade.com | 🐦 nupoorwriting | 🎓 Nupoor Ranade

Education

Ph.D. Candidate (Communication, Rhetoric and Digital Media)

GPA: 4.0

NORTH CAROLINA STATE UNIVERSITY, RALEIGH, NC, US

Aug. 2017 – May 2021

- Dissertation: Re-contextualizing audiences in open authored software documentation environments
Committee: Dr. Jason Swarts (chair), Dr. Stacey Pigg (member), Dr. Adriana de Souza e Silva (member), Dr. Casie Fedukovich (member) & Monica Leggoe (consultant, Documentation Director at Citrix)

Masters of Science (Technical Communication)

GPA: 4.0

NORTH CAROLINA STATE UNIVERSITY, RALEIGH, NC, US

Aug. 2015 - May 2017

- Capstone project: Developing an open source documentation theme using jekyll
- Certificate of Accomplishment in Teaching (CoAT)
- Graduate Certificate in Digital Humanities

Bachelor of Engineering (Computer Engineering)

GPA: 3.25

PUNE INSTITUTE OF COMPUTER TECHNOLOGY, UNIVERSITY OF PUNE, PUNE, IN

Aug. 2008 - May 2011

- Final project: User interface to simulate configuration of cloud topology

Research Interests

Technical communication; Audience studies; User experience (UX); Data analytics & corpus analysis; Digital Rhetoric; Social justice.

Research

Publications

PEER-REVIEWED ARTICLES

- Itchuaqiyag, C. U., **Ranade, N.** & Walton, R. (In-press, Aug. 2021). Theory to query: Developing a corpus-analysis method using computer programming and human analysis. *Technical Communication*.
- **Ranade, N.** & Cata, A. (2021). Intelligent algorithms: Evaluating the design of chatbots and search. *Technical Communication*.
- Tham, J., Hocutt, D., Burnham, K., **Ranade, N.**, Misak, J., Duin, A.H., & Pedersen, I. (2021). Metaphors, mental models, and multiplicity: Understanding student perception of digital literacy. *Computers and Composition*.
- Stone, M. M., **Ranade, N.**, Hannah, M. (2020). DIY feminist pedagogies: Making feminist practices more apparent in technical rhetorics. *MAI: Feminism & Visual Culture: Special Issue on Feminist Pedagogies*. 5.
- **Ranade, N.** (2020) Visual rhetorical analysis and review of virtual Martin Luther King, Jr. Project, *Kairos: A Journal of Rhetoric, Technology, and Pedagogy*. 24(2).

- Pigg, S., Berger, A. & **Jalindre, N.** (2017). Where are we with wayfinding. 6th Annual SCCI Conference. Greenville, NC. (Panel)

REGIONAL

- **Ranade, N.** (2019) Intelligent dialogue: A chatbot workshop. CRDM Symposium. North Carolina State University, NC, US (Workshop)
- **Ranade, N.** (2018) GitHub for technical communication. SpeedCon 2018. North Carolina State University, NC, US (Workshop)
- **Jalindre, N.** (2017) Mapping complex information with design. (2017). Carolina Rhetoric conference, Raleigh, NC.
- **Jalindre, N.** (2017) Visualizing search queries to improve information design, NC State Graduate Research Symposium, NC, US. (Poster)

Media appearances

INTERVIEW

- **Jalindre, N.** (2018). Alumni Interview. MastersinCommunications.com

PODCASTS

- Flores, Wil (co-host) & **Ranade, N.** (co-host) (2020). On the job – Sweetland digital rhetoric podcast. Series of interviews with scholars who recently transitioned into tenure track academic positions. Sweetland's Digital Rhetoric Collaborative Blog. (Over 400 hits overall)
- Johnson, T. (host) & **Ranade, N.** (2020). Users as producers of knowledge — conversation with Nupoor Ranade about how tech writer roles are changing. I'd Rather Be Writing.
- Wood, C. (host), Larson, K., Kumari, A., Baniya, S., Sparks, K., Lusher, K., **Ranade, N.** & Itchuaqiyag, C. (2019). NextGen Listserv Moderators. The Big Rhetorical Podcast.

Teaching Interests

Theory & history of technical communication; Technical writing & editing; User experience (UX); Publication management; Social justice & advocacy; Digital rhetoric; Visual rhetoric; Big data & AI; Inclusive design; Humanistic TC; Research using mixed-methods; Global & Intercultural Communication; Web design & development; API documentation; Content strategy & Information design.

Teaching Experience

Communication for Engineering and Technology (ENG 331)

5 sections

INSTRUCTOR, NORTH CAROLINA STATE UNIVERSITY, DEPARTMENT OF ENGLISH

Fall 2020 (2), Spring 2017 (2), Fall 2016

- Prepared Syllabus, Course Materials, Assignments and Rubrics to help students develop communication skills for industrial environments.
- Students worked on real-world projects, such as the vMLK project to create useful and accessible documentation by collaborating with multiple stakeholders and subject matter experts.

Communication for Business and Management (ENG 332)

2 sections

INSTRUCTOR, NORTH CAROLINA STATE UNIVERSITY, DEPARTMENT OF ENGLISH

Spring 2020 (2)

- Prepared Syllabus, course materials, assignments and rubrics to help students communicate effectively in workplace contexts
- Students wrote proposals to solve real-world problems in business and public organizations by analyzing the purpose, audiences, and contexts.

Digital Rhetoric for Artificial Intelligence/Interactions (AI) (ENG/COM 395)

1 section

INSTRUCTOR, NORTH CAROLINA STATE UNIVERSITY, CROSS-LISTED ENGLISH & COMMUNICATION DEPARTMENTS

Fall 2019

- **Won proposal** to teach a course about the influence of emerging technologies on rhetorical theory and practice.
- Prepared Syllabus, Course Materials, Assignments and Rubrics to teach students how to visualize various technical genres and their connections with audiences, interfaces, technology, design and developers and to evaluate digital texts.
- Students developed artificial intelligence applications (chatbots) using Python programming and constructively applying rhetorical criticism and inclusive design measures for deployment. Usability testing and accessibility testing were also conducted.

Advanced Technical Writing, Editing and Document Design (ENG 517)

1 section

DIRECTED TEACHING, NORTH CAROLINA STATE UNIVERSITY, DEPARTMENT OF ENGLISH

Fall 2019

- Shadowed Professor Jason Swarts in teaching the course, taught one class session and assisted in facilitating group work and discussions.
- Conducted a seminar on the topics of Procedure Writing, Technical Style and Concision in technical communication spaces.

Rhetoric of Science and Technology (ENG 515/ENG 798)

1 section

DIRECTED TEACHING, NORTH CAROLINA STATE UNIVERSITY, DEPARTMENT OF ENGLISH

Fall 2018

- Shadowed Professor Stacey Pigg in teaching the course, taught one class session and assisted in facilitating group work and discussions.
- Conducted the class on visual rhetoric at the Teaching and Visualization Lab, an immersive experience space at the NC State Library.

Industry Experience

North Carolina State University (Communications Department)

Raleigh, NC, US

GRADUATE RESEARCH ASSISTANT, WEBSITE DEVELOPMENT AND TECHNICAL COMMUNICATION

May. 2020 - Aug. 2020

- Worked on website development, maintenance and multimedia artifact handling of the vMLK website
- Worked closely with Libraries staff, media production team, and sustainability experts for developing, documenting and archiving the vMLK project resources
- Created documentation for future developers
- Contributed to planning sustainability practices for archiving the digital humanities project

SAS Institute

Cary, NC, US

GRADUATE RESEARCH ASSISTANT, TECHNICAL COMMUNICATIONS DEPARTMENT

Aug. 2018 - Aug. 2019

- Conducted user behavior analysis through usability studies, user surveys, A/B testing, and Google Analytics
- Triangulated results from Google analytics and usability testing data to make design recommendations to the documentation site
- Made recommendations for content operationalization and search engine optimization
- Conducted audience analysis and content research to kickstart chatbot for sales project
- Worked closely with engineers, usability lab consultants, website developers and accessibility experts
- Assisted in designing a content strategy for developing a Related Resources tool for integration of all knowledge resources

Citrix Systems

Fort Lauderdale, FL, US

INTERN, TECHNICAL WRITER

May. 2018 - Aug. 2018

- Developed documentation metrics for effective documentation
- Developed key performance indicators (KPIs) for audience analysis
- Conducted customer research for UX designing from data gathered through the annual stakeholders survey
- Analyzed communication problems in internal organizational processes and wrote documentation to resolve them
- Assisted in converting documentation files from plain text to Markdown in git environment
- Made recommendations for the Marketing, Support and Documentation teams

Palo Alto Networks

Santa Clara, CA, US

INTERN, TECHNICAL WRITER

May. 2016 - Aug. 2016

- Conducted usability testing on select documentation topics to make recommendations to the online documentation website
- Converted existing documentation to a context sensitive model in a DITA framework

TIBCO Software Pvt. Ltd.

Pune, MH, IN

TECHNICAL WRITER AND DOCSITE ADMINISTRATOR

Oct. 2013 - Jul. 2015

- Created and maintained product documentation including User guides, (REST) API documentation, Programmer's guides
- Developed and published video tutorials
- Conducted peer reviews and editorial reviews on documentation guides
- Worked closely with engineers, software testers and product managers to deploy documentation in three consecutive release cycles (quarterly)

Airfort Networks

Pune, MH, IN

SOFTWARE DEVELOPER

Aug. 2011 - Oct. 2012

- Designed and developed stand alone software applications in Java and web applications in PHP
- Worked with APIs to build and improve software products

Technical Skills

Technical and Scientific Documentation

MS Word, LaTeX, Swagger, Oxygen XML, Adobe FrameMaker, RoboHelp, Madcap Flare

Programming

Python, JAVA, Javascript, PHP, HTML, jquery

Integrated Development environments

Anaconda, NetBeans, Eclipse

Text Editors

Visual Studio Code, Sublime, Notepad++, Atom

Web development frameworks

WordPress, Wix, Bootstrap, GitHub pages

Data Analytics

Tableau, R, Python, Coding using Microsoft Excel, LancxBox, Google Analytics, Gephi, Voyant

Version control & Issue Tracking

GitHub, BitBucket, JIRA, Perforce

Visual Design

InDesign, Lucidchart, Canva, MS PowerPoint

Multimedia & Podcasting

Camtasia, Audacity, Descript, iMovie, Garage Band

Communication

Slack, Discord, Atlassian Confluence, Zoom, WebEx

Project management

Trello, Asana, Notion

Honors & Awards

2020	Research Grant , Margaret (Marty) Baker Graham, Association of Business Communication	\$500
2019-21	Graduate Fellowship , Sweetland Digital Rhetoric Collaborative	\$1000
2019	Winner, 1st place , Microsoft Student Research Competition, ACM Special Interest Group on Design of Communication (SIGDOC)	\$500
2019	Travel Award , Microsoft Student Research Competition, ACM SIGDOC	\$500
2019	Travel Award , Association for Business Communication	\$400
2018	Emerging Scholar Award , Common Ground Research Networks	\$347
2018-19	Proposal for Research Position , SAS-CHASS Graduate Industrial Traineeship Award	\$29,808
2017-19	Scholar Award , Humanities, Arts, Science, and Technology Alliance and Collaboratory (HASTAC)	\$500

Service

2020-	Assistant Editor and Intern , Kairos: A Journal of Rhetoric, Technology, and Pedagogy
2020-23	Member , CCCC nextGEN Committee
2020-	Proposal Reviewer , Association of Business Communication (ABC) Conference
2020-21	Co-ordinator, Space-making Subcommittee , Graduate Student Committee, Council for Programs in Technical and Scientific Communication (CPTSC)
2019-21	Student Representative , Executive Board, ACM Special Interest Group on Design of Communication (SIGDOC)
2019-21	Moderator , nextGEN listserv
2019-	Proposal Reviewer , SIGDOC conference
2018-19	Member , Search Committee for Assistant Professor of Technical Communication, Department of English, NC State University
2018	Program co-ordinator , WritersUA conference East
2017-	Peer Mentor , Communication, Rhetoric and Digital Media, NC State University
2016-19	Annual Writing Competition Judge , Society of Technical communication (STC), Carolina Chapter
2016-21	Member , Technical Communication Association, NC State University
2016	Event co-ordinator , SpeedCon 2016 conference
2013-15	Volunteer and event co-ordinator , STC Regional Conference, Pune Chapter
2015	Reporter , STC, India, Pune Chapter
2014	STC City Conference planning committee member , STC India, Pune Chapter
